

SATURDAY BUS SERVICE TO SWAFFHAM

During the March 2018 Parish Council meeting the bus service to Swaffham was discussed and it was decided that Mundford Parish Council will continue subsidizing the service for another six months. However, to continue to offer this service as from the 1st April 2018 the return fare will increase to £8.00 per person.

This will continue to be run by West Norfolk Community Transport, a non-profit making charity supporting community transport.

The council are delighted to continue to offer this service for residents, but do stress that if numbers that use it are low, then it may need to be withdrawn. Therefore they urge parishioners to support the service.
