The Mundford Pride Scheme was created back in the summer of 2007 as the Parish Council were keen to keep the community together, and show their appreciation of the unsung heroes of the village.

This scheme is dedicated to residents, and to recognise the small group of people that do something wonderful for other residents, whether it is helping the elderly, making or donating gifts to village organisations, picking up litter and other jobs that help keep the village tidy, being instrumental in projects that help shape the village or any other genuine act of kindness or generosity to others.

Any recipient of the award has to be nominated by other residents of the village. Once more than three residents have nominated a particular resident the

Council will then consider that person for an award. If the resident is successful then they are invited to a Parish Council meeting to be presented with the award. All recipients are presented with a trophy, certificate and a cheque for £50.

Latest recipient of the Mundford Pride Scheme award, Carol Lewis receives her certificate, trophy and cheque for £50 from Mundford Parish Council Chairman Stefan Eyres.
