## **Complaints Procedure – members of the public**

If you have a complaint about the Council, we would like to hear from you. This notice tells you how to complain, and what happens to your complaint on receipt. It also tells you who deals with the complaint, how you can be represented, when a decision is made and how you will be notified of this.

Feedback from our residents, whom we aim to serve efficiently and effectively, is the only way we can continually improve our services.

We aim:

- to make it easy for anyone to make a complaint
- to solve problems as quickly as possible
- to prevent problems from happening again, and
- to encourage good practice

### **How to contact us with your complaint**

You can contact the Council by telephone, in writing, or by email. A form is included in this document which you can fill in and send back to us. This document explains the procedure which will be followed once your complaint has been received. A list of contact details is also included.

### **What we will do when we hear from you**

We will deal with any comments about the Council as quickly as possible. We will investigate the complaint fully. We may be able to give you an answer straight away, or we may need more time to investigate what you have told us. We will contact you within 15 working days of us hearing from you and either give you a full answer, or give you a progress report and explain why we need more time to investigate further. We will also tell you when you can expect a full answer. Your complaint will, in the first instance be investigated by an officer of the council. If you remain dissatisfied then your complaint will be dealt with by a committee of the council. If you have a complaint, we hope we will be able to find out what went wrong and take steps to make sure it won't happen again.

It will not be appropriate to deal with all complaints from members of the public under a complaints procedure. Below are examples of complaints which will require special consideration and where we may engage other procedures or bodies. If this is the case then we will advise you of this.

<b>Financial irregularity</b>	<b>Local elector's statutory right to object Council's audit of accounts pursuant to s.16 Audit Commission Act 1998. On other matters, councils may need to consult their auditor / Audit Commission</b>
